NOTICE OF PRIVACY PRACTICES

Effective Date: September 1, 2018

This notice describes how your medical information may be used and disclosed, and how you can access this information.

Please review it carefully.

OUR COMMITMENT TO YOUR PRIVACY

Infusion Care is committed to protecting your privacy and maintaining the confidentiality of your health information as required by federal and state laws. This Notice of Privacy Practices ("Notice") explains how we may use and share your health information, as well as your rights regarding that information.

We are legally required to provide you with this Notice and to inform you if a breach occurs involving your unsecured health information. Infusion Care abides by the terms of this Notice and reserves the right to update it as permitted by law. Any updates will apply to all health information we maintain and will be made available online at www.infusion-care.com or at any Infusion Care location.

HOW WE MAY USE AND SHARE YOUR HEALTH INFORMATION

Treatment

We may use and disclose your health information to provide, coordinate, or manage your treatment and related services. This may include sharing information with your referring provider, specialists, or nurses to ensure safe and effective care.

Payment

We may use or disclose your information to bill and collect payment for services. This may involve communication with your insurance provider or verifying coverage for a planned treatment.

NEVADA-SPECIFIC PRIVACY PROTECTIONS

Under Nevada law, certain types of health information—such as mental health records and communicable disease data—are subject to stricter confidentiality rules than under federal HIPAA. We comply with these laws and may only disclose such records under those stricter conditions.

If we collect consumer-facing health data outside of traditional treatment (for example, via wellness apps or digital platforms), you may have additional rights under Nevada's Consumer Health Data Privacy Law (SB 370). Please contact our Privacy Officer for more information about what data is collected, how it is used or shared, and how to exercise your rights, including access, correction, or withdrawal of consent.
